## I. INTRODUCTION

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in programs and activities receiving Federal financial assistance. Specifically, Title VI provides that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance." (42 U.S.C. Section 2000d).

The Civil Rights Restoration Act of 1987 clarified the intent of Title VI to include all programs and activities of Federal-aid recipients, sub-recipients, and contractors whether those programs and activities are federally funded or not.

Recently, the Federal Transit Administration (FTA) has placed renewed emphasis on Title VI issues, including providing meaningful access to persons with Limited English Proficiency.

Recipients of public transportation funding from FTA and the Virginia Department of Rail and Public Transportation (DRPT) are required to develop policies, programs, and practices that ensure that federal and state transit dollars are used in a manner that is nondiscriminatory as required under Title VI.

This document details how **Piedmont Senior Resources Area Agency on Aging (PSRAAA)** incorporates nondiscrimination policies and practices in providing services to the public. **PSRAAA's** Title VI policies and procedures are documented in this plan and its appendices and attachments. This plan will be updated periodically (at least every three years) to incorporate changes and additional responsibilities that arise.

#### Authorities

Title VI of the 1964 Civil Rights Act provides that no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving federal financial assistance (refer to 49 CFR Part 21). The Civil Rights Restoration Act of 1987 broadened the scope of Title VI coverage by expanding the definition of the terms “programs or activities” to include all programs or activities of Federal Aid recipients, sub recipients, and contractors, whether such programs and activities are federally assisted or not.

Additional authorities and citations include: Title VI of the Civil Rights Act of 1964 (42 U.S.C. Section 2000d); Federal Transit Laws, as amended (49 U.S.C. Chapter 53 et seq.); Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601, et seq.); Department of Justice regulation, 28 CFR part 42, Subpart F, “Coordination of Enforcement of Nondiscrimination in Federally-Assisted Programs” (December 1, 1976, unless otherwise noted); U.S. DOT regulation, 49 CFR part 21, “Nondiscrimination in Federally-Assisted Programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964” (June 18, 1970, unless otherwise noted); Joint FTA/Federal Highway Administration (FHWA) regulation, 23 CFR part 771, “Environmental Impact and Related Procedures” (August 28, 1987); Joint FTA/FHWA regulation, 23 CFR part 450 and 49 CFR part 613, “Planning Assistance and Standards,” (October 28, 1993, unless otherwise noted); U.S. DOT Order 5610.2, “U.S. DOT Order on Environmental Justice to Address Environmental Justice in Minority Populations and Low-Income Populations,” (April 15, 1997); U.S. DOT Policy Guidance Concerning Recipients’ Responsibilities to Limited English Proficient Persons, (December 14, 2005), and Section 12 of FTA’s Master Agreement, FTA MA 13 (October 1, 2006).

#### **IV. NON-DISCRIMINATION ASSURANCE TO DRPT**

In accordance with 49 CFR Section 21.7(a), every application for financial assistance from the Federal Transit Administration (FTA) must be accompanied by an assurance that the applicant will carry out the program in compliance with DOT's Title VI regulations. This requirement is fulfilled when the Virginia Department of Rail and Public Transportation (DRPT) submits its annual certifications and assurances to FTA. DRPT shall collect Title VI assurances from sub-recipients prior to passing through FTA funds.

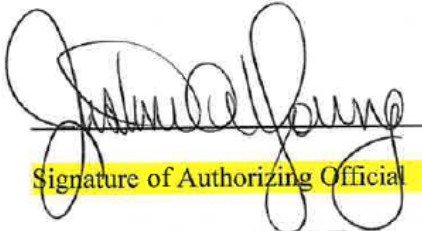

As part of the Certifications and Assurances submitted to DRPT with the Annual Grant Application and all Federal Transit Administration grants submitted to the DRPT, PSRAAA submits a Nondiscrimination Assurance which addresses compliance with Title VI as well as nondiscrimination in hiring (EEO) and contracting (DBE), and nondiscrimination on the basis of disability (ADA).

In signing and submitting this assurance, PSRAAA confirms to DRPT the agency's commitment to nondiscrimination and compliance with federal and state requirements.

2. Collect statistical data (race, color or national origin) of participants in and beneficiaries of agency programs, (e.g., affected citizens, and impacted communities).
3. Conduct annual Title VI reviews of agency to determine the effectiveness of program activities at all levels.
4. Conduct Title VI reviews of construction contractors, consultant contractors, suppliers, and other recipients of federal-aid fund contracts administered through the agency.
5. Conduct training programs on Title VI and other related statutes for agency employees.
6. Prepare a yearly report of Title VI accomplishments and goals, as required.
7. Develop Title VI information for dissemination to the general public and, where appropriate, in languages other than English.
8. Identify and eliminate discrimination.
9. Establish procedures for promptly resolving deficiency status and writing the remedial action necessary, all within a period not to exceed 90 days.

## **General Title VI responsibilities of the agency**

The Title VI Manager is responsible for substantiating that these elements of the plan are appropriately implemented and maintained, and for coordinating with those responsible for public outreach and involvement and service planning and delivery.

### **1. Data collection**

To ensure that Title VI reporting requirements are met, PSRAAA will maintain:

- A database or log of Title VI complaints received. The investigation of and response to each complaint is tracked within the database or log.
- A log of the public outreach and involvement activities undertaken to ensure that minority and low-income people had a meaningful access to these activities.

### **2. Annual Report and Updates**

As a sub-recipient of FTA funds, PSRAAA is required to submit a Quarterly Report Form to DRPT that documents any Title VI complaints received during the preceding quarter and for each year. PSRAAA will also maintain and provide to DRPT an annual basis, the log of public outreach and involvement activities undertaken to ensure that minority and low-income people had a meaningful access to these activities.

Further, we will submit to DRPT updates to any of the following items since the previous submission, or a statement to the effect that these items have not been changed since the previous submission, indicating date:

- A copy of any compliance review report for reviews conducted in the last three years, along with the purpose or reason for the review, the name of the organization that performed the review, a summary of findings and recommendations, and a report on the status or disposition of the findings and recommendations
- Limited English Proficiency (LEP) plan
- procedures for tracking and investigating Title VI complaints
- A list of Title VI investigations, complaints or lawsuits filed with the agency since the last submission
- A copy of the agency notice to the public that it complies with Title VI and instructions on how to file a discrimination complaint

### **3. Annual review of Title VI program**

Each year, in preparing for the Annual Report and Updates, the Title VI Manager will review the agency's Title VI program to assure implementation of the Title VI plan. In addition, they will review agency operational guidelines and publications, including those for contractors, to verify that Title VI language and provisions are incorporated, as appropriate.

### **4. Dissemination of information related to the Title VI program**

Information on our Title VI program will be disseminated to agency employees, contractors, and beneficiaries, as well as to the public, as described in the “public outreach and involvement” section of this document, and in other languages when needed according to the LEP plan as well as federal and State laws/regulations.

## **5. Resolution of complaints**

Any individual may exercise his or her right to file a complaint if that person believes that he, she or any other program beneficiaries have been subjected to unequal treatment or discrimination in the receipt of benefits/services or prohibited by non-discrimination requirements. PSRAAA will report the complaint to DRPT within three business days (per DRPT requirements), and make a concerted effort to resolve complaints locally, using the agency’s Title VI Complaint Procedures. All Title VI complaints and their resolution will be logged as described under Section 1. Data collection and reported annually (in addition to immediately) to DRPT.

## **6. Written policies and procedures**

Our Title VI policies and procedures are documented in this plan and its appendices and attachments. This plan will be updated periodically to incorporate changes and additional responsibilities that arise. During the course of the Annual Title VI Program Review (item 3 above), the Title VI Manager will determine whether or not an update is needed.

## **7. Internal education**

Our employees will receive training on Title VI policies and procedures upon hiring and upon promotion. This training will include requirements of Title VI, our obligations under Title VI (LEP requirements included), and required data that must be gathered and maintained. In addition, training will be provided when any Title VI-related policies or procedures change (agency-wide training), or when appropriate in resolving a complaint.

**Title VI training is the responsibility of the Director of Transportation.**

## **8. Title VI clauses in contracts**

In all federal procurements requiring a written contract or Purchase Order (PO), PSRAAA’s contract/PO will include appropriate non-discrimination clauses. The Title VI Manager will work with the Chief Financial Officer who is/are responsible for procurement contracts and PO’s to ensure appropriate non-discrimination clauses are included.

## **VI. PROCEDURES FOR NOTIFYING THE PUBLIC OF TITLE VI RIGHTS AND HOW TO FILE A COMPLAINT**

### **Requirement to Provide a Title VI Public Notice**

Title 49 CFR Section 21.9(d) requires recipients to provide information to the public regarding the recipient's obligations under DOT's Title VI regulations and apprise members of the public of the protections against discrimination afforded to them by Title VI. At a minimum, PSRAAA shall disseminate this information to the public by posting a Title VI notice on the agency's website and in public areas of the agency's office(s), including the reception desk, meeting rooms, in federally-funded vehicles, etc. Appendix A contains PSRAAA's Title VI Notice to the Public, while Appendix B contains a list of locations where that notice is to be posted.

## VII. TITLE VI COMPLAINT PROCEDURES

### **Requirement to Develop Title VI Complaint Procedures and Complaint Form.**

In order to comply with the reporting requirements established in 49 CFR Section 21.9(b), all recipients shall develop procedures for investigating and tracking Title VI complaints filed against them and make their procedures for filing a complaint available to members of the public. Recipients must also develop a Title VI complaint form. The form and procedure for filing a complaint shall be available on the [www.psraaa.org](http://www.psraaa.org) and at our facilities.

### **Sample of Narrative**

This list shall be included in the Title VI Program submitted to DRPT every three years and information shall be provided to DRPT quarterly and annually.

## **VIII. PUBLIC OUTREACH AND INVOLVEMENT**

### **PUBLIC PARTICIPATION PLAN**

#### **Introduction**

The Public Participation Plan (PPP) is a guide for ongoing public participation endeavors. Its purpose is to ensure that PSRAAA utilizes effective means of providing information and receiving public input on transportation decisions from low income, minority and limited English proficient (LEP) populations, as required by Title VI of the Civil Rights Act of 1964 and its implementing regulations.

Under federal regulations, transit operators must take reasonable steps to ensure that Limited English Proficient (LEP) persons have meaningful access to their programs and activities. This means that public participation opportunities, normally provided in English, should be accessible to persons who have a limited ability to speak, read, write, or understand English.

In addition to language access measures, other major components of the PPP include: public participation design factors; a range of public participation methods to provide information, to invite participation and/or to seek input; examples to demonstrate how population-appropriate outreach methods can be and were identified and utilized; and performance measures and objectives to ensure accountability and a means for improving over time.

*PSRAAA* established a public participation plan or process that will determine how, when, and how often specific public participation activities should take place, and which specific measures are most appropriate.

*PSRAAA* will make these determinations based on a demographic analysis of the population(s) affected, the type of plan, program, and/or service under consideration, and the resources available. Efforts to involve minority and LEP populations in public participation activities may include both comprehensive measures, such as placing public notices at all transit stations, stops, and vehicles, as well as targeted measures to address linguistic, institutional, cultural, economic, historical, or other barriers that may prevent minority and LEP persons from effectively participating in our decision-making process.

## **IX. LANGUAGE ASSISTANCE PLAN FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)**

### **Introduction and Legal Basis**

LEP is a term that defines any individual not proficient in the use of the English language. The establishment and operation of an LEP program meets objectives set forth in Title VI of the Civil Rights Act and Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (LEP). This Executive Order requires federal agencies receiving financial assistance to address the needs of non-English speaking persons. The Executive Order also establishes compliance standards to ensure that the programs and activities that are provided by a transportation provider in English are accessible to LEP communities. This includes providing meaningful access to individuals who are limited in their use of English. The following LEP language implementation plan, developed by *PSRAAA* is based on FTA guidelines.

As required, **PSRAAA** developed a written LEP Plan (below). Using American Community Survey (ACS) Census data, **PSRAAA** has evaluated data to determine the extent of need for translation services of its vital documents and materials.

LEP persons can be a significant market for public transit, and reaching out to these individuals can help increase their utilization of transit. Therefore, it also makes good business sense to translate vital information into languages that the larger LEP populations in the community can understand.

### **Assessment of Needs and Resources**

The need and resources for LEP language assistance were determined through a four-factor analysis as recommended by FTA guidance.

#### **Factor 1: Assessment of the Number and Proportion of LEP Persons Likely to be Served or Encountered in the Eligible Service Population**

The agency has reviewed census data on the number of individuals in its service area that have limited English Proficiency, as well as the languages they speak.

#### **U.S. Census Data – American Community Survey (2011-2015)**

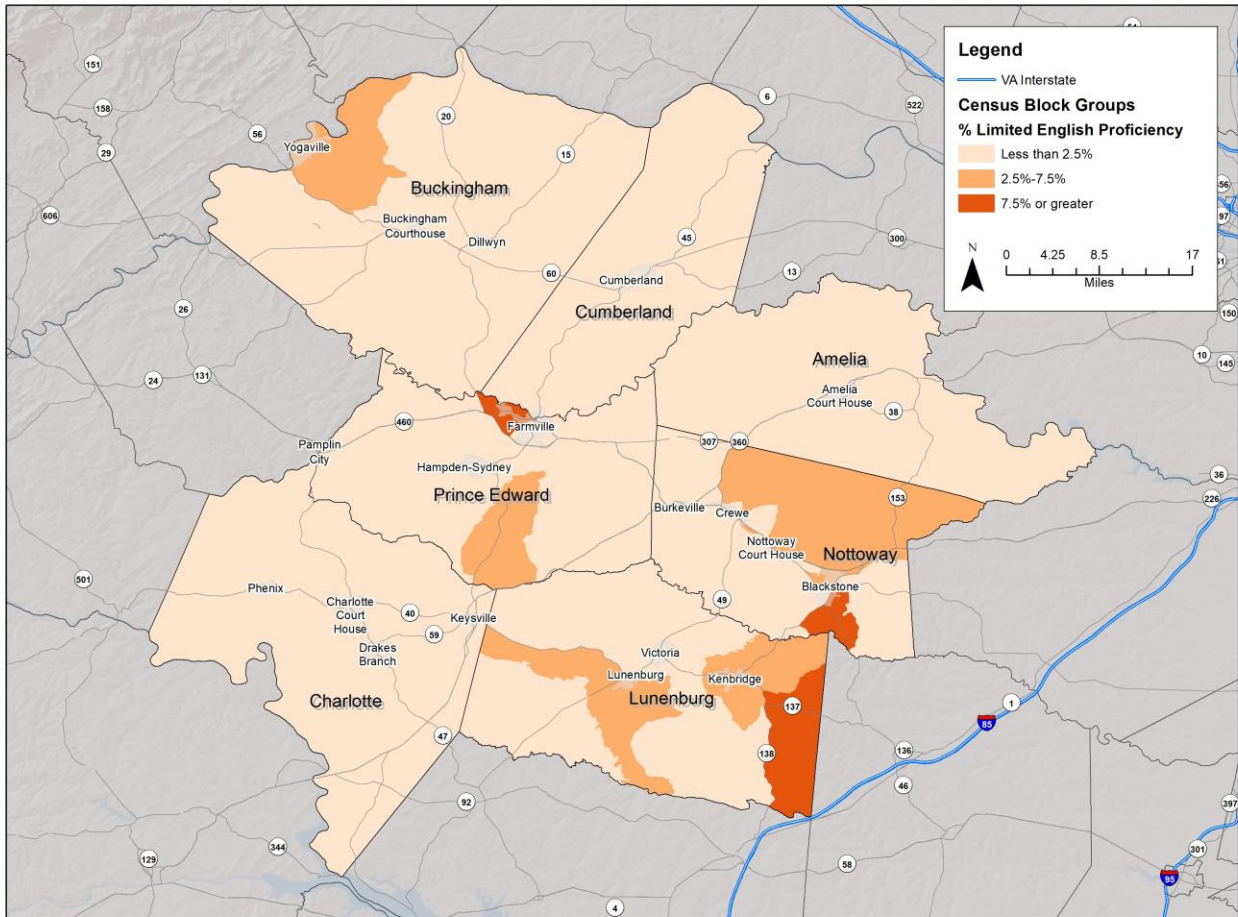

Data from the U.S. Census Bureau’s American Community Survey (ACS) were obtained through [www.census.gov](http://www.census.gov) by *PSRAAA*’s service area. The agency’s service area includes a total of 1,267 (1.33%) persons with Limited English Proficiency (those persons who indicated that they spoke English “less than very well,” in the 2011-2015 ACS Census).

Information from the 2011-2015 ACS also provides more detail on the specific languages that are spoken by those who report that they speak English less than very well. Languages spoken at home by those with LEP are presented below. These data indicate the extent to which translations into other language are needed to meet the needs of LEP persons.

PSRAAA Service Area			
Language	Number of LEP Population	Percent of County Population Speaking Language	Percent of LEP Population Speaking Language
Spanish or Spanish Creole	927	0.98%	73.16%

<b>Total LEP Population</b>	<b>1,267</b>	<b>1.33%</b>	
<b>Total Service Area Population</b>	<b>95,053</b>		

There are no languages groups that surpass the Safe Harbor Provision in PSRAAA's service area. The most spoken language by LEP persons is Spanish or Spanish Creole (927). Figure 1 shows the percentage of LEP persons by Census Block Group in the service area. There are high concentrations of LEP persons in Farmville, Blackstone, and eastern Lunenburg County.

**Figure 1: % LEP by Census Block Group**

**Factor 2: Assessment of Frequency with Which LEP Individuals Come Into Contact with the Transit Services or System**

**PSRAAA** reviewed the relevant benefits, services, and information provided by the agency and determined the extent to which LEP persons have come into contact with these functions through *one or more of* the following channels:

- Contact with transit vehicle operators;
- Contact with transit station managers;
- Calls to **PSRAAA**'s customer service telephone line;
- Visits to the agency's headquarters;
- Access to the agency's website;
- Attendance at community meetings or public hearings hosted by **PSRAAA**;

- Contact with the agency's ADA complementary paratransit system (including applying for eligibility, making reservations, and communicating with drivers).

**PSRAAA has been successful in communicating with LEP persons. Common questions directed to the agency by LEP persons include inquiries regarding eligibility demographic statistics and process of service.**

We will continue to identify emerging populations as updated Census and American Community Survey data become available for our service area. In addition, when LEP persons contact our agency, we attempt to identify their language and keep records on contacts to accurately assess the frequency of contact. To assist in language identification, we use a language identification flashcard based on that which was developed by the U.S. Census. (<http://www.lep.gov/ISpeakCards2004.pdf>)]

**Factor 3: Assessment of the Nature and Importance of the Transit Services to the LEP Population**

PSRAAA provides the following programs, activities and services:

Advocacy, health and nutrition services, home delivered meals, congregate meals at senior centers, information and referral services, non-emergency medical transportation services, in-home services, legal services and Medicare and insurance guidance to seniors.

Based on past experience serving and communicating with LEP persons and interviews with community agencies, we learned that the following services/routes/programs are currently of particular importance LEP persons in the community.

***Non-fixed non-emergency medical transportation services, home delivered meals and congregate nutrition.***

The following are the most critical services provided by **PSRAAA** for all customers, including LEP persons.

- Safety and security awareness instructions
- Emergency evacuation procedures
- Public transit services, including reduced fare application process
- Other paratransit services
- Services targeted at low-income persons

**Factor 4: Assessment of the Resources Available to the Agency and Costs**

***Costs***

The following language assistance measures currently being provided by **PSRAAA**:

- *Translation of all forms of communication.*
- *All staff are associated with translation.*

We anticipate that these activities will increase as our population continues to become more diverse.

Based on the analysis of demographic data and contact with community organizations and LEP persons, PSRAAA has determined that the following additional services are ideally needed to provide meaningful access:

- *Information may need to be translated into additional languages, additional oral or written language services should be provided, or that existing language assistance needs to be made available on a more widespread basis.*

### ***Resources***

The available budget that could be currently be devoted to additional language assistance expenses is **\$0.00**. This amount is likely to *increase* over time. PSRAAA has numerous partners, such as educators at Longwood University, the Virginia Legal Aid Society, Hampden-Sydney College, and Prince Edward County Public Schools that are willing and able to aid in additional language assistance.

Other potential cost saving measures include telephonic and video conferencing interpretation services, translating vital documents posted on Web sites, pooling resources and standardizing documents to reduce translation needs, centralizing interpreter and translator services to achieve economies of scale.

### **Feasible and Appropriate Language Assistance Measures**

Based on the available resources, the following language assistance measures are feasible and appropriate for our agency at this time:

- *The use of volunteer community partners*

## **LEP Implementation Plan**

Through the four-factor analysis, **Piedmont Senior Resources** has determined that the following types of language assistance are most needed and feasible:

- *Translation of vital documents into Spanish. These documents include:*
  - *System Map and Ride Guide*
  - *Application for reduced fare*
  - *All printed materials on ADA Paratransit, including brochure, eligibility application package, and passenger policies and procedures*
  - *Emergency preparedness brochure*

- *Attempt to hire bilingual staff with competency in spoken and written (Spanish, Vietnamese, etc. as appropriate for your service area).*
- *Language Line Translation Services for telephone contacts.*
- *In-person translation for ADA eligibility assessments.*

### ***Staff Access to Language Assistance Services***

Agency staff who come into contact with LEP persons can access language services by offering the individual a language identification flashcard, having a supply of translated documents on hand, transferring a call to bilingual staff, having a telephone menu allowing the customer to pre-select their language. All staff will be provided with a list of available language assistance services and additional information and referral resources (such as community organizations which can assist LEP persons). This list will be updated at least annually.

### ***Responding to LEP Callers***

Staff who answer calls from the public respond to LEP customers as follows: transferring a call to bilingual staff or using resources of a community partner, who can translate and schedule trip details needed.

### ***Responding to Written Communications from LEP Persons***

The following procedures are followed when responding to written communications from LEP persons: using bilingual staff or using resources of a community partner.

### ***Responding to LEP Individuals in Person***

The following procedures are followed when an LEP person visits our customer service and administrative office: having translated documents on hand, language identification flashcards, placing a telephone on speaker phone with the person, calling in a community partner to translate.

The following procedures are followed by operators when an LEP person has a question on board a **Piedmont Senior Resources** vehicle: use language identification flashcard if needed, referral to telephone assistance, volunteer translation assistance from fellow passengers, telephone assistance from community partners.

### **Staff Training**

As noted previously, all **Piedmont Senior Resources** staff are provided with a list of available language assistance services and additional information and referral resources, updated annually.

All new hires receive training on assisting LEP persons as part of their sensitivity and customer service training. This includes:

- A summary of the transit agency’s responsibilities under the DOT LEP Guidance;
- A summary of the agency’s language assistance plan;
- A summary of the number and proportion of LEP persons in the agency’s service area, the frequency of contact between the LEP population and the agency’s programs and activities, and the importance of the programs and activities to the population;
- A description of the type of language assistance that the agency is currently providing and instructions on how agency staff can access these products and services; and
- A description of the agency’s cultural sensitivity policies and practices.

Also, all staff who routinely come into contact with customers, as well as their supervisors and all management staff, receive annual refresher training on policies and procedures related to assisting LEP persons.

### ***Providing Notice to LEP Persons***

LEP persons are notified of the availability of language assistance through the following approaches:

- *following our Title VI policy statement included on our vital documents.*
- *through ongoing outreach efforts to community organizations, schools, and religious organizations.*

LEP persons will also be included in all community outreach efforts related to service and fare changes.

### ***Monitoring/updating the plan***

This plan will be updated on a periodic basis (at least every three years), based on feedback, updated demographic data, and resource availability.

As part of ongoing outreach to community organizations, **Piedmont Senior Resources** will solicit feedback on the effectiveness of language assistance provided and unmet needs. In addition, we will conduct periodic internal meetings with staff who assist LEP persons, review of updated Census data, formal studies of the adequacy and quality of the language assistance provided, and determine changes to LEP needs.

In preparing the triennial update of this plan, **Piedmont Senior Resources** will conduct an internal assessment using the Language Assistance Monitoring Checklist provided in the FTA’s “Implementing the Department of Transportation’s Policy Guidance Concerning Recipients’ Responsibilities to Limited English Proficient (LEP) Persons: A Handbook for Public Transportation Providers.”

Based on the feedback received from community members and agency employees, **Piedmont Senior Resources** will make incremental changes to the type of written and

oral language assistance provided as well as to their staff training and community outreach programs. The cost of proposed changes and the available resources will affect the enhancements that can be made, and therefore **Piedmont Senior Resources** will attempt to identify the most cost-effective approaches.

As the community grows and new LEP groups emerge, **Piedmont Senior Resources** will strive to address the needs for additional language assistance.

## **X. MINORITY REPRESENTATION ON PLANNING AND ADVISORY BODIES**

Title 49 CFR Section 21.5(b)(1)(vii) states that a recipient may not, on the grounds of race, color, or national origin, “deny a person the opportunity to participate as a member of a planning, advisory, or similar body which is an integral part of the program.”

*Piedmont Senior Resources* has transit-related, non-elected planning boards, advisory councils or committees, or similar committees, the membership of which we select.

Advisory members and members of the Board of Directors are chosen in consultation with boards of supervisors and other local governing boards.

## **XI. MONITORING TITLE VI COMPLAINTS**

As part of the complaint handling procedure, the Title VI Manager investigates possible inequities in service delivery for the route(s) or service(s) about which the complaint was filed. Depending on the nature of the complaint, the review examines span of service (days and hours), frequency, routing directness, interconnectivity with other routes and/or fare policy. If inequities are discovered during this review, options for reducing the disparity are explored, and service or fare changes are planned if needed.

In addition to the investigation following an individual complaint, the Title VI Manager periodically reviews all complaints received to determine if there may be a pattern. At a minimum, this review is conducted as part of preparing the Annual Report and Update for submission to DRPT.
